HOUSTON METHODIST CY-HOOPS INVITATIONAL

A CY-FAIR EDUCATIONAL FOUNDATION EVENT

Welcome to the 15th annual Houston Methodist Cy-Hoops Invitational basketball tournament. The Cy-Fair Educational Foundation in partnership with Houston Methodist Hospital looks forward to this premier boys' varsity basketball tournament every year. The tournament showcases 24 boys' varsity basketball teams - 12 Cypress-Fairbanks ISD teams and 12 out-of-district teams.

This year's field has eight teams ranked in the top 25 heading into the 2024-2025 Boys Basketball Preseason as ranked by Great American Shoot-Out (GASO). Class 6A teams include Converse Judson (10th), Austin Westlake (15th), CE King (16th), Waxahachie (22nd) and Dickinson (25th). FB Marshall (2nd), Mansfield Summit (3rd), and The Colony (5th) ranked 6th by GASO, Class 5A.

We are grateful for our partnership with Houston Methodist Hospital and our generous sponsors whose contributions make this tournament possible. To our hospitality donors and team meal sponsors, your donations help us provide unmatched hospitality to our sponsors and teams. Thank you to the Houston Methodist Cy-Hoops Invitational committee members for their support and dedication. To our many volunteers, thank you for your time and commitment to the tournament.

Thank you to leaders in the Cypress community, as well as the Cypress-Fairbanks Independent School District (CFISD), who enthusiastically support the youth of our community and help produce a first-class basketball tournament. All profits from the tournament support the mission of the Cy-Fair Educational Foundation (TheCFEF.org). By supporting our tournament, you are investing in the community and making a significant difference in the lives of CFISD students.

Thank you for coming. We hope you enjoy the tournament!

Sincerely,

Mark McShaffry

HOUSTON METHODIST
CY-HOOPS INVITATIONAL

A CY-FAIR EDUCATIONAL
FOUNDATION EVENT

HOUSTON METHODIST CY-HOOPS INVITATIONAL

In 2010 Cypress-Fairbanks ISD administrators and athletics joined forces with the Cy-Fair Educational Foundation to establish the Cy-Hoops Invitational tournament as a fundraising event for the Foundation with proceeds funding scholarships for Cypress-Fairbanks ISD graduating seniors. As the tournament grew in recognition, the Cy-Fair Educational Foundation partnered with Houston Methodist Willowbrook Hospital and Houston Methodist West Hospital in 2015 to create a premier high school basketball tournament – the Houston Methodist Cy-Hoops Invitational - that would engage the entire community.

Statewide recognition for the Houston Methodist Cy-Hoops Invitational (HMCHI) has grown through the strength of the teams participating each year. The Cy-Hoops Invitational has earned a reputation as one of the most competitive tournaments in Texas. Over the last 15 years, the tournament has hosted state champions, regional and district champions, and continually fielded teams ranked in the top 25 in the state by MaxPreps and the Texas Association of Basketball Coaches. This year the Great American Shoot-Out preseason rankings has 8 of the 24 teams in the top 25 for Texas.

Participating teams are guaranteed three games with tournament play spread across three Cypress-Fairbanks ISD high school campuses and the Berry Center. The Houston Methodist Cy-Hoops Invitational begins Thursday afternoon and ends with the championship game played at the Berry Center on Saturday at 5:30 p.m. Through 2023, the HMCHI has raised over \$283,000 providing scholarships for graduating seniors for Cypress-Fairbanks ISD.

You can always spot the student who spent their summer with Mathnasium.

Summer. It's the time for kids to relax and enjoy some much-needed fun, especially after such a challenging year. But summer is also the ideal time to do something that will give them a huge advantage when school resumes in the fall. Accelerate their math skills with Mathnasium.

While most students experience math learning loss over a normal summer, disruptions due to the pandemic have caused many kids to fall behind even more. Mathnasium's personalized Learning Plans are proven to improve grades and help kids catch up and get ahead in math. With live face-to-face instruction, either in-center or online.

And don't worry — your child will still enjoy their summer. Because we make learning math fun.

Ask about our summer offer.

CFISD Alumni Contributing for Education

Did you graduate from Cy-Fair ISD? Know a graduate of Cy-Fair ISD?

Take part in our **Alumni Contributing for Education (ACE)** program. The **ACE** program is designed for graduates and their friends or family to donate to the Cy-Fair Educational Foundation (CFEF) alumni fund. For 53 years and counting, CFEF has provided scholarships to graduating seniors across Cy-Fair ISD. With the rising cost of college, the Foundation must continually grow our scholarship funds to provide scholarships to students in need.

Help the Cy-Fair Educational Foundation (CFEF) fund scholarships for graduating seniors!

Make a recurring monthly donation or a one-time donation.

Jocelyn Reyes
(Cypress Springs - 2020)

CFEF has given me a huge and life-changing gift...a gift to go to college. CFEF award, helped me, coming from a low-income, first-generation student, to attend college. They changed my life, I don't have to worry about expenses and my focus is completely on making the best grades possible. Thank you so so much!

Alitzah Escobedo
(Jersey Village - 2018)

Receiving a scholarship from the CFEF has opened many pathways for me and has enabled me to get into college worry free. Working with the CFEF has been very enlightening because the foundation sincerely cares for the students and are truly determined to help students from different backgrounds succeed. The dedication that the members of the foundation put into helping students thrive is outstanding and for that I am sincerely thankful.

Flora Yiakras
(Cypress Falls - 2018)

I am so grateful for the generosity of this organization. By awarding me the CFEF Scholarship In Memory of Rona Martin Abshire, my financial burden was lightened which allowed me to focus more on the most important aspect of school- learning. Their generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as they helped me.

Dylan Kodama
(Cypress Ranch - 2020)

The foundation supported me on my journey to attending college by alleviating some of the financial stress in these difficult times. They allowed me to make my admission decision more on my personal goals and what was right for me, rather than what was easier or less of a risk in an already uncertain future.

Donate today - Help us brighten the future of CFISD students as they pursue their higher education goals.
